HERE ARE SEVERAL TIPS TO OUR RESIDENTS TO PREVENT CAR THEFT!

Always lock your car.

Take your keys.

Completely close car windows when parking. Don't make your car a more desirable target by leaving valuables in plain sight.

Never leave your car running, even if you'll only be gone for a minute. Vehicles are commonly stolen from driveways, convenience stores and gas stations.

Never hide a second set of keys in your car. Extra keys can be easily found if a thief takes time to look. Park in well lit areas. Over half of all vehicles thefts occur at night.

Don't leave the registration and insurance cards in your vehicle. A car thief will use those to sell your stolen car. File the title in your home and office and carry registration in your purse or wallet instead.
